Dear Yuba Couty Children's Wellness & Child Abuse Prevention Council,
My name is Peggy DeHaan and I am the current Fundraiser/Event Coordinator for the Tri-County Community Center, formally known as, Marysville Youth and Civic Center located in Marysville Ca. We are currently planning a 100% free community event focused on Child Abuse Prevention Outreach.

On 2/21/2023 we are offering the use of our building to host a Child Abuse Prevention Outreach Event to educate our community and provide them with informatio on services available within our community. In the past I have attended many meetings, all prior to covid shutting everything done, including the center. I know many of the different agency's that attend these meetings and I believe that together we could provide our community with an event that has the potential to reach hundreds of people. This event is a great opportunity for your organization to promote their efforts and what you offer to our community.

I would like to be put on the agenda for a future meeting, so that I may address the council and see if I could get other agencies interested in helping us tast on this huge undertaking.

We are in hopes that you will be willing to help us with our efforts as we are thosting more community events to provide services to those in need. We are also hosting a Health Fair on 1/17/2023; National Prevention Week- One Day Eevent on 3/15/2023; Bite of Reality, a financial workshop for students on 4/18/2023 & our annual My 1st Job Fair on 5/24/2023. It is important to us to get as many other agencies involved to help as many citizens as possible.

The Center has begun to evolve over the years and will now be known as the Tri-Counties Community Center. Many of our events are offered as free community events, as well as regular weekly programs, including bingo, archery, skating, fencing and much more. I will also add, everyone involved in the Youth Center, including myself, are 100% volunteers and receive no pay for our efforts.

Thank you in advance for your consideration, regarding this request. I truly hope your company will be willing to partner with us, so that we can continue to perform our good works for our community and to the youth who live here.

Sincerely,

Peggy DeHaan, Past President
